ClosingMr. Duffy

It has been said that high school is the best four years of your life. We don't know if that is really true, but the class of 2011 has sure done what it could to make high school memorable. When you walk the halls of EHS, you already can see signs of the legacy that the class of 2011 will leave behind. Our class has tried to make the best of every opportunity. From academics to athletics to art, and especially friendship, we have truly tried to do the best, to be the best, to make this time the best it could be. With the energy and determination of the class of 2011, we believe there is a bright future for every individual, no matter what they decide to do after high school. We wish our fellow classmates the best of luck in the future. While we should never forget our roots, we think the best years of our lives are still to come.

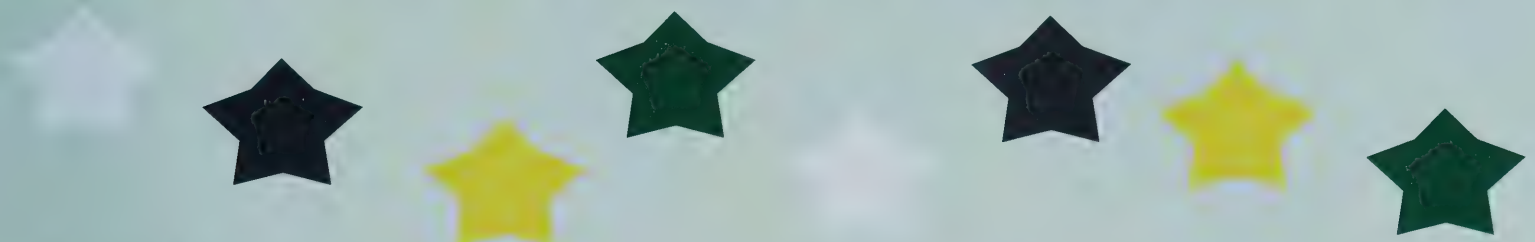

Dedication: Mr. Girard

The Class of 2011 is proud to dedicate our yearbook to the amazing English teacher, Mr. Girard. You may know him as the guy with the bright red sneakers who loves the Red Sox. Choosing him was a no-brainer, since everyone who takes a class with Mr. Girard always has a good experience and great memories. He is well-known for his great sense of humor and his laid-back teaching style. He has been teaching at Enfield High School for 27 years, which really shows his love and dedication to his profession. One thing that every kid in his classes looks forward to is Mountain Day. On Mountain Day, he takes his classes for a short walk around the building. He created this as a way for students to enjoy and appreciate the changing of the seasons. Mr. Girard also likes thought-provoking discussions in every class, all the while telling jokes that are funny but, usually, somewhat corny. That is just another quality about him that makes him a great teacher and role model. He is constantly trying to find new, exciting ways to make lessons and literature more interesting to the students. He makes students in his class feel as though they are a part of something special. Enfield High would not be the same without Mr. Girard and the Class of 2011 will miss him so much! Thank you, Mr. Girard, for your awesome efforts and work that you've done over the years!

The Fabulous 2011 Yearbook Staff

Each September, the building buzzes with excitement and ambition at the promise of the coming year.

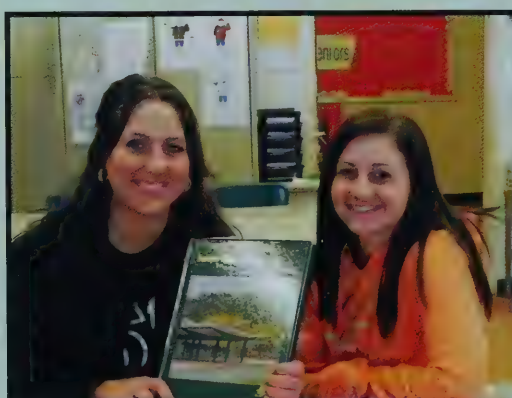

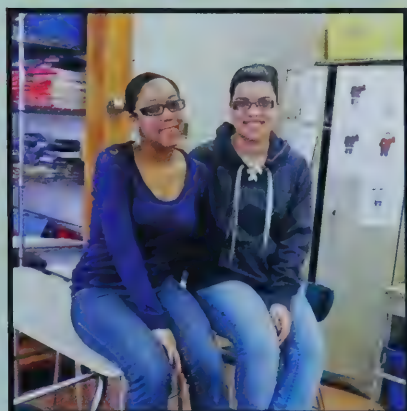

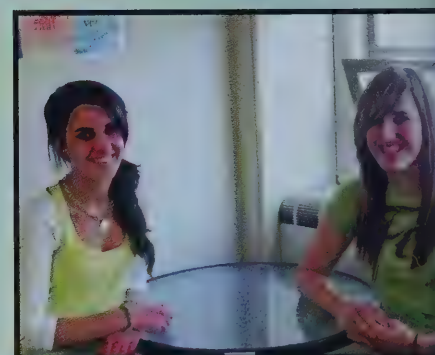

Students clamor to get involved in sports and activities. Groups are assembled, events planned, practices scheduled, goals set. Pictures are taken, retaken, issued and shared. Friendships are formed, found, and sometimes lost. And all the while, a yearbook waits to be created. Throughout the year the yearbook staff becomes, not just the eyes and ears of the school, but also the voice. They are the memory-keepers, and for that, they must be thanked.

The 2010-2011 school year had its share of challenges to contend with. There were seven snow days, several delays and many event cancellations. This posed a challenge for our yearbook staff in terms of getting photos, reporting on sporting events and meeting deadlines. There was a lot of waiting. At times, we felt like giving up, but our reliable staff hung in there and, despite the setbacks, kept the pages coming.

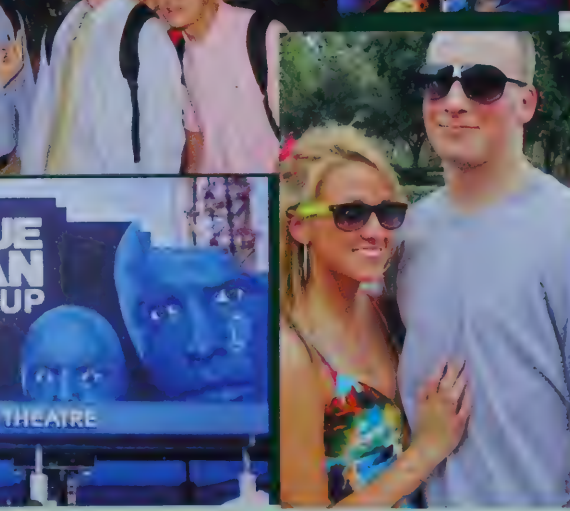

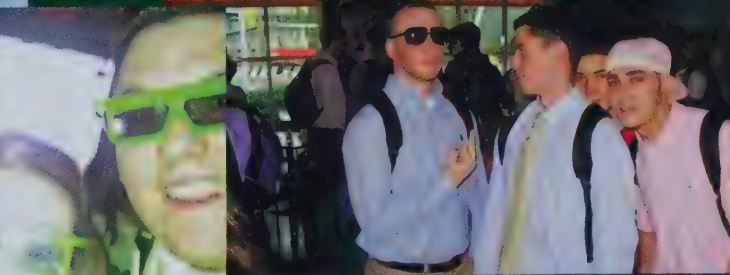

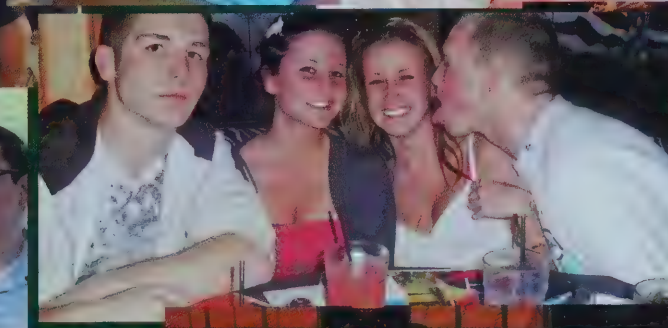

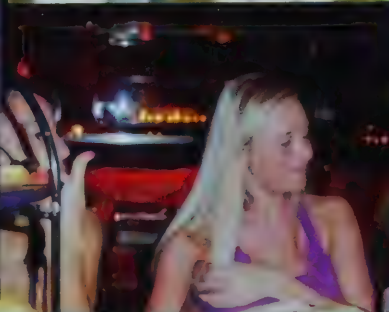

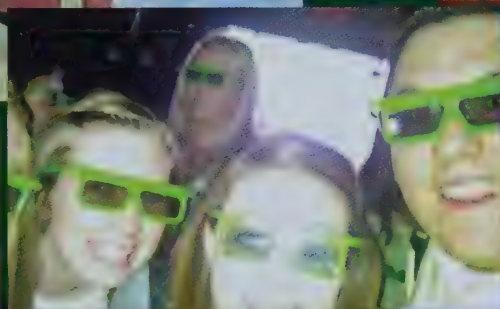

There were many contributors to the yearbook and we are grateful for them all, but there was a small corps of dedicated young women that deserve special recognition for working so hard and seeing the production of the yearbook through to the end. Grace Hallak, Sarah Woodmancy, Brittany Mosher, Amanda Sarno, Rebecca Donor, Melissa Labbe, Christina Sanzo - You are shining examples of hard work, commitment and responsibility. Thank you. Thank you. Thank you.

2010-2011

Powder Puff

Sasha Fierce Gully Gang

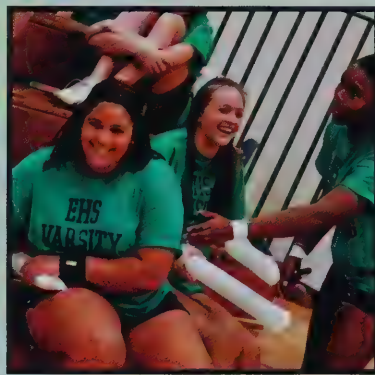

VS.

Mrs. Stone's DECA program organized the Powder Puff game. The charity event was a huge success, and the profits were donated to the Enfield Food Shelf. This was the second year the Seniors played in the event. Despite the freezing cold weather, the seniors were determined to win. The event was fun and the refs made a lot of interesting calls. In the last quarter, the game was tied between the Seniors and the Juniors, but in the last few minutes the Seniors pulled it together and scored an extra touchdown. The Seniors were excited for the win.

Good Luck to next year's Juniors and Seniors. We hope the Seniors will continue the graduating class' winning streak.

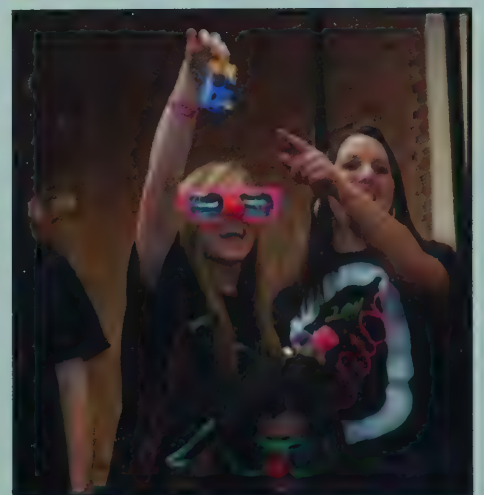

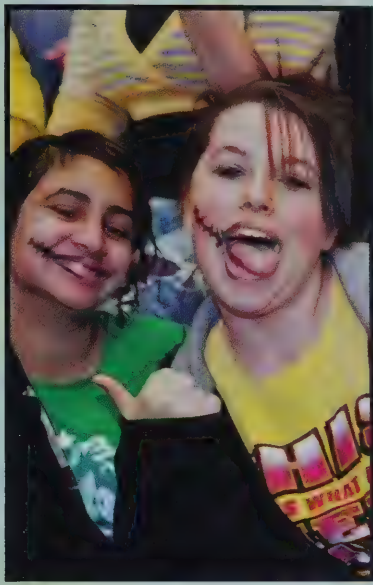

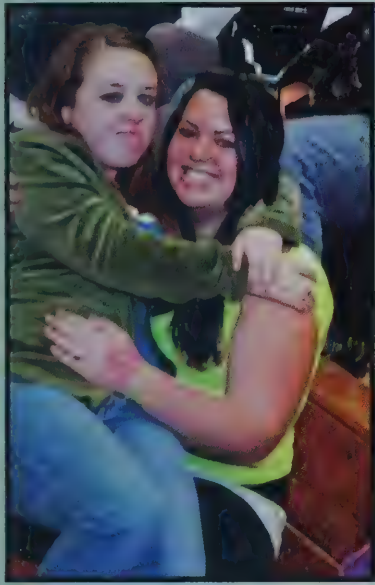

The Seniors won the game with a score of 27 - 21.

Harvey

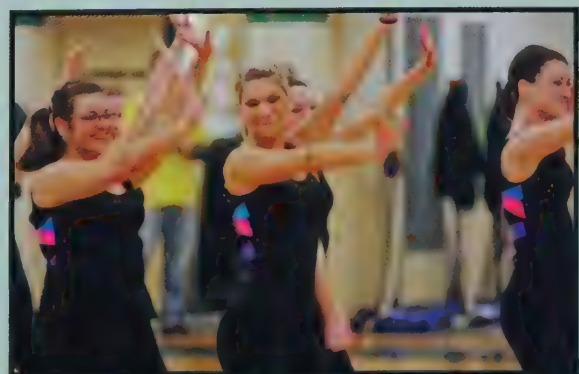

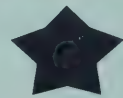

Harvey is a play about Elwood P. Dowd. Elwood is a very pleasant and friendly bachelor who has an interesting friend named Harvey. Harvey is a 6'3" invisible white rabbit, also called a Pooka. When Elwood's sister, Veta Louise Simmons, and niece, Myrtle Mae Simmons, decide they're sick of Harvey, they decide to put Elwood into a mental institution. Once Veta gets to the institution, things start to go crazy. Veta gets mistaken for the patient, Elwood goes missing, and the whole thing ends up as a wild goose chase. As this day goes on, everyone starts to see Harvey in this hilarious twist and turn of events.

COACH'S QUOTE

The 2010-2011 EHS Dance Team had a great year. In addition to dancing at all the boys' home basketball games, pep rally, and holiday assembly, the team also performed in a show to benefit Kym's Kause. Together all groups involved raised \$9,100. The team will be graduating 10 seniors. We wish our seniors the best of luck in the future.

Wrestling

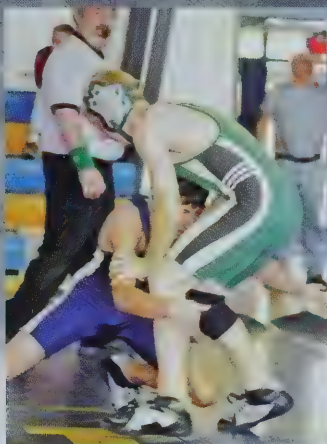

Assistant Coach Pinney and
Head Coach Olsen

The Wrestling Team had a good season considering the fact that we had a new coach, Coach Olsen. The Wrestling team is graduating two seniors Jon Landry and Tony Young while keeping four juniors, Ryan Radar, Jack Cimino, Tony Perrone and Kyle Fedorowsky. We hosted two tournaments this year, where the team worked together to facilitate the event. We placed eight wrestlers in our league tournament, the NCCC's. It was a great way to end a very good season and we hope to have as much success or more next year.

Graduation is just the start of your education.

Congratulations, graduate. You're in the real world now. Filled with big choices and heavy-duty decisions. You're about to discover that learning is a lifetime pursuit—whether it occurs in college, on the job, or through life experience.

So start out right. Make a financial decision you can live with for a lifetime. If you are not yet a 360FCU member, become one today. You and your family* are all eligible to join. And we're right there in your school. Then you can handle what lies ahead, because we'll be there to back you up—with inexpensive loans, better ways to save, more convenient financial services.

So make 360FCU membership the graduation gift you give yourself. And take your next step with greater confidence.

It all revolves around you.

* Family members may include: spouse, child, sibling, parent, grandparent or grandchild, stepparents, stepchildren, stepsiblings and adoptive relationships.
